

North-West DST Get-Together/ Thank You Party

Sunday November 13th was our get-together party & was enjoyed by about 65 guests. Many of our Brightstar dancers, volunteers & Gala helpers were present. It was lovely also to have the Chugg; Gamble & Huisman families join us for the day.

Held in the function room at the Ulverstone Sports Centre, a fun time was had by all. We were entertained with the traditional party games of musical chairs & pass the parcel. A highlight of the afternoon was our dress up game for the mums and dads. Somehow the dads were victorious but we have a feeling there may have been some short cuts taken!!!!

There will be a re-match in the future....

Mandi transformed many, young & old, with her gorgeous face painting. We're not sure if Nic Siely had any skin left after she'd finished on him?? Our young guests were delighted with the wonderful balloon twisting creations from Carolyn. A lovely memento to take home from the day.

A party isn't a party without the disco music!! Of course there were some awesome movers & shakers up on the dance floor. With some very lucky dancers earning a cmax voucher for their originality.

All in all a wonderful celebration was had & we look forward to our next get-together in 2012.

Cheryl Oates & Cindy Bird
